OPERATIONS
CABINET OFFICE Security Officer x 3

React well under pressure? Have an eye for detail and the motivation to deliver high standards at all times? Do you want to make a difference? Want to prove yourself in a challenging but rewarding role? If you answered yes to all of these questions, you could be just the person we are looking for.

We are seeking highly committed and flexible individuals to work for our prestigious client, based in Central London. You will support the Security Team in maintaining a first class security service across our contract.

You will be the first point of contact in the event of an incident, and must be able to represent the Company in a professional manner at all times. The ability to react appropriately under pressure is crucial as you may be required to act in critical incidents.

You must be able to communicate effectively with a diverse range of people including high-profile civil servants and representatives from the emergency services. The ability to carry out comprehensive security assessments, audits and being able to contribute to resolving operational problems would also be advantageous.

You will have experience in security operations or facilities management, be able to pass the required qualifications for licensing requirements, and preferably have a First Aid qualification.

Working hours are 41 per week, to be worked on a 6 on 3 off shift pattern; 8 hours 45 minutes per shift. These posts offer an attractive salary and benefits package, according to the skills and the experience a candidate brings to the role.

Employment in this post is dependant upon obtaining security clearance.
